

1. Imagine If... :

Based upon your Imagine If... themes, summarise your Dream Project:

Instead of providing people with answers, how do we provide them with ideas? – Ollie Bray, Lego Foundation

2. Embedding Creativity Skills:

Increased levels of creativity skills being recognised, articulated and valued by educationalists, practitioners and learners.

Reframe your Dream Project: Adapt the summary of your Dream Project to ensure that the outcome of the Creative Learning Networks Fund is EXPLICIT.

3. What and How:

What will be the evidence of impact?:

5 Hows: What are the top five actions and activities that will be needed to deliver the Dream Project
